

During our topic '**Let's Celebrate!**' we have been learning all about bonfire night, Diwali, Remembrance Sunday and weddings. Take a look at our gallery to see the wonderful activities and learning we've been enjoying...

A festive graphic with the text "Let's Celebrate!" in a playful, bubbly font. The word "Let's" is in a smaller font above "Celebrate!". The text is primarily red and purple with a yellow outline, set against a glowing yellow background. Three yellow stars are scattered around the text: one above "Let's", one above "Celebrate!", and one below "Celebrate!".
